

ACCA Special Announcement

Response to Coronavirus (COVID-19)

ACCA is carefully implementing the recommendations of the CDC and DHSS related to the pandemic. All ACCA Facilities are closed to the public. However, ACCA is open for business and will be providing services via telephone and/or through distance delivery. Specific program information can be found below.

ACCA Medical Equipment Loan Closet

Loan Closet services are suspended until further notice.

FASD Diagnostic Team

We are working with our community based diagnostic team members to determine how services will move forward. The FASD Diagnostic Team Coordinator can assist you at (907)456-4003x126.

DDRC Connections Program

Services will continue to be provided, however the DDRC Connections Coordinator will work with you to determine the best method for submitting required paperwork since the office is closed. She can be reached by phone or text at (907)328-8815.

Infant/Early Childhood Mental Health Program

The Circle of Security Parenting class has been cancelled for the weeks of March 16th and 23rd. We are working on options for offering this class through distance delivery. Individual supports are available by calling (907)456-4003x109.

Infant Learning Program

Infant Learning Program has suspended instruction and therapy for the weeks of March 16th and March 23rd while we transition to phone and distance delivered services. During this time staff will reach out to families to plan for the new service model. We are still accepting referrals as usual at (907)456-4003x115.

We will keep you updated through our website and social media. Please reach out to us for more information:
